

# Yad Sarah Robotics

# Introduction

- in 2024 we are entering **new era of robotics**
- **robots with advanced capabilities** are entering the market ... examples
  - Digit (Amazon Warehouse)
    - <https://www.youtube.com/watch?v=rnFZA>
  - Figure (household)
    - <https://www.youtube.com/watch?v=Sq1Q>
  - Atlas (construction worker)
    - [https://www.youtube.com/watch?v=-e1\\_QhJ1EhQ](https://www.youtube.com/watch?v=-e1_QhJ1EhQ)

bubush

# Introduction

- when new technology emerges ...
- initial motivation: **maximal benefit for the user**
- but as time passes ...
- the development of the technology is being **distorted** by **corporate greed**
- which may cause the technology to become ...
- less beneficial and even harmful
